

MIDNIGHT RUN

Holy Spirit has its next "run" into Manhattan scheduled for Friday night August 14th. Some modifications to the usual process have been necessary because of the Covid-19 virus. For example:

-The group going on the run is limited to 7 folks versus the usual 12 and two vehicles will be used rather than the normal 3.

-Packaging of food, clothing and toiletries will be done in a manner to minimize person to person contact during distribution.

-All prep work is being done at the homes of committee members to alleviate any conflicts with the current schedules of parish activities and/or physical spaces.

-There will be no request for material donations from the parishioners, but anyone wishing to support this run financially can make their donation thru the rectory with "Midnight Run" indicated on the memo line of their check.

-As always, prayer is at the center of our work, so please remember those who are going and especially the folks living on the streets of NYC who we are trying to serve.

For additional information please contact either Ed Drenga (edwood1072@yahoo.com) or John Beck (jwbeck@optonline.net)
